## 1. Opening of the meeting

The Chairman Cllr G Ivey opened the meeting at 7.30pm. The Annual Report was circulated, a copy of which will be delivered to every house in Little Smeaton.

## 2. Public questions and issues

2.1. There was concern about the hedge and verge on the junction of Main Street, opposite Windy Ridge adjacent to the park. The site lines are compromised and it was requested that the hedge be taken back and the verge cut to help with the site line and also the safety of residents walking to the playground and park. Councillors decided that quotes would be obtained to carry out the work.

The Chairman thanked everyone for attending and the meeting was closed.
